

Section	Administrative Procedure Number
Transportation Procedures	RCJTC AP.01.05
Administrative Procedure Title	
Designated Stops/Assigned Routes Procedure	
Date	Revised
December 20, 2013	

Designated stops must be set a minimum of two hundred (200) metres apart, unless other safety considerations are evident.

The transportation operator/driver shall not add or delete or change in any fashion an established stop, or route plan, without first consulting the RCJTC.

The location of designated stops and assigned routes shall only be on municipally maintained roadways.

The RCJTC General Manager will attempt to have both Ontario Provincial Police and Ministry of Transportation officials assist in the evaluation of any bus stop(s) in dispute.
