

## TRANSPORTATION DEPARTMENT MEMORANDUM

**From:** RCJTC Administrative Committee  
**Date:** August 29, 2022

**Subject:** **School Bus Driver Shortage School Year 2022-2023**

The Renfrew County Joint Transportation Consortium (RCJTC) has received notification from some of our local contracted school bus operators that they have not been able to retain, recruit and train enough drivers to cover all their routes.

The RCJTC continues to work collaboratively with the contracted school bus operators to find solutions to lessen the impact of the current situation.

Families on the initially affected routes will be notified via email within the next 2 days if their route will not be serviced due to the driver shortage.

For updated information on the driver shortage please visit: [www.onthebus.ca](http://www.onthebus.ca)
