

Bell Times

for the 2026/2027 School Year

In collaboration with partner school boards, the Renfrew County Joint Transportation Consortium (RCJTC) has adopted a staggered bell time system to allow school transportation vehicles to be used with maximum efficiency at more than one school. Below are the current instructional bell times for local schools, broken down by Zone / Family of Schools. If you have any questions, please contact the RCJTC team by telephone at (613) 732-8419 or by email at trans@onthebus.ca.
